FIRST TAYLOR STORE - This rare old photograph, taken in the late 1870's, shows one of Provo's first businesses, the furniture store of George Taylor Sr. which became the Taylor's Inc. of today. It is located on West Center Street. The millinery shop to the right is an adjoining building but was a separate business. The little shop to the left was a shoe repair and carpenter shop of the Taylor store. Much of the furniture sold then was made in the store by skilled cabinet-makers.
